1st Kick off meeting of Erasmus+ Strategic Partnership Project called “Better Educating Better Learning” which was approved by Lithuanian National Agency was realised in Konya Paşapark Hotel on 5th November 2015. The project will continue during two years project lifetime. Representatives from Turkey were:

Konya İl Milli Eğitim Müdürlüğü, Selçuklu İlçe Milli Eğitim Müdürlüğü, Şems-i Tebrizi Kız AİHL, Muhammed Hamdi Yazır İHO,

Representatives from Lithuania were:

Lithuanian municipality the Department of Education, Culture and Sport, Kaunas Region Education Centre, Garliava Jonuicai Progymnasium and Zapyskis Basic school.

The aim of project meeting is to support the professional development of teachers and school administrators through evaluation and self-assessment tools to be established, aiming to take strategic steps to increase professional skills and leadership qualities.

The website of the project will be created. A web based platform the content of which will be created according to The European Digital Competence Framework for Citizens and competence development guide will be two products of the project. Focus group activity was realised on 16.02.2016 in Muhammed Hamdi Yazır Secondary School. In State of Art Review, Assessment of Teacher Performance, Improvement of Teachers’ Performance, Teacher’s Professional Competencies were discussed and the content of them was sent to Kaunas by the project partner.
